March 19, 2010

Dear Ms. Simpson,

I have received notification from The Commerce Trade Show Logistics Group Ltd. advising that your organization will be holding the **Partners in Prevention 2010 Conference: CANECT 2010** to be held at the **International Centre** over the dates of **May 4th -5th, 2010**.

I am pleased to advise you that the use of Tariff Items 9993.00.00.00 is being extended to you for this event.

Goods imported temporarily under tariff item **9993.00.00.00** cannot be sold, leased or further manufactured or processed while in Canada. The goods must be imported in a reasonable quantity pertaining to their use while in Canada. The goods must be exported within a reasonable time after the conclusion of the event. Should participants decide to give away, sell or otherwise dispose of any temporarily imported goods, they must contact the nearest Canada Border Services Agency office or their Customs Broker to arrange for the proper accounting for those goods. After the event, any goods that remain in Canada are subject to the payment of duties and taxes regardless of whether or not the goods are sold.

Also, use of the Border to Show system is authorized.

I recommend that any exhibitors coming to this event from outside of Canada, be provided with a copy of this letter for presentation to Canada Border Services Agency Officials at time of entry into Canada.

This letter does not preclude the necessity for possession of appropriate documentation to satisfy Immigration requirements at time of arrival in Canada. Please visit www.cic.gc.ca/english/visit/index.asp for more information or contact Immigration at 1-888-242-2100

I note that you have appointed **the Commerce Trade Show Logistics Group Ltd.** as **"Official Customs Brokers"** to effect Customs clearance of goods destined for your event.

I wish you every success with your event and if I can be of further assistance, please contact me by telephone at (905) 803-5261 or by fax at (905) 803-5353.

Yours truly,
